POLICY DIGEST

Primary Monitoring Unit: Chancellor's Office

I. PURPOSE

To provide an [organizational structure](#) that depicts the LSU Eunice's administrative structure and to define the role and function of the mutually supportive components comprising the faculty, the students, the administrative structure, and the support structure.

II. THE FACULTY

The faculty of the University consists of all full-time members of the academic staff having the rank of Instructor or higher.¹ Collectively, the faculty determines the educational policy of the University. Within the academic programs and divisions, the faculty determines educational policies for its respective unit insofar as these policies do not conflict with the policies of other units.² Matters over which a faculty has authority (subject to the superior authority of the Board of Supervisors) include:

- A. Criteria for membership on the faculty itself
- B. Criteria for admission of students
- C. Degree requirements
- D. Courses and curricula
- E. Student honors
- F. Standards of instruction and grading

¹ See [LSU PM-23](#) on the Ranks, Provisions, & Policies Governing Appointments and Promotions to Academic Staff dated February 2, 2009. See the [Regulations of the Board of Supervisors](#) Article I, Section 2.A (Academic Organizational Units) through Section 2.D (The Departmental Faculty) dated September 13, 2021.

² LSU Eunice refers to Divisions and Programs to represent academic areas instead of the word department.

G. Faculty meetings (at division and program levels)

The faculty has proper concern, but not legislative authority, over several other aspects of University life, including:

A. Academic freedom

B. Faculty personnel policies

C. Faculty grievances

D. Salaries and support funds

E. University organization

F. Student affairs

G. The University's role, scope, and mission

H. Buildings and facilities

I. Equipment

III. THE STUDENTS

The students at the University comprise all persons who have been duly admitted and registered in at least one course and who are participating in the academic life of the University. Only students in good academic standing may represent the University. Good academic standing is defined as a student who has an overall grade point average equal to or better than a 2.0 ("C"). Students can make valid contributions to the academic well-being of the University by arriving at deliberate positions on any aspect of University life. Thus, student parliamentary or conciliar expression is strongly encouraged by the University.

IV. THE NON-ACADEMIC STAFF

The non-academic staff is part of the support structure of the University. Individual members of the non-academic staff have substantial authority and responsibility to the University community because of their offices. The Board of Supervisors, however, has not charged the staff with policy-making authority for the University. Nevertheless, as with students and faculty, deliberate recommendations from staff organizations are encouraged.

V. THE ADMINISTRATION

Administrative officers of the University exist primarily to execute the broad administrative and educational policies determined by the Board of Supervisors to utilize public funds to maximal advantage and to facilitate the educational and scholarly work of the faculty. For administrative purposes LSU Eunice is divided into inter-related structures, each headed by a Vice Chancellor, Associate Vice Chancellor, Dean, or Director.
